Keith is in a mtg out of the office rite now, but will return at lunch. If Keith is available to participate on the phone Fri, 12/22..., I suggest we set-up a time that day. I'll talk to Keith when he returns at lunch.

Thanks, Jim. When I spoke with Keith yesterday, I thought he indicated he would be available for a Friday call. I will also have to dial in, but would be happy to do that in order to move all this forward. Keith: Are you still good for a Friday call?

Jim Anderson:

I believe Keith Johnson is out this Thursday and Friday. Do you feel he would want us to await his availability, or should we proceed without him? I am booked tomorrow but available Friday afternoon. Jim.

Hi all - I just wanted to get a poll of availability for a PH Managers meeting on stormwater. I believe it might be difficult to schedule a meeting over the next week or so, but I'll try! Is anyone available Thursday afternoon or Friday morning? If not, could we try for next Thursday? Please let me know your availability. I think this could just be a conference call.

cheers
